COLOURFUL hearts have been popping up throughout the city over the past few days - and now we know why.

From garden hedgerows to tree-lined streets and pavements across Portsmouth, volunteers have been drawing hearts during the half-term holiday.

The hearts have been painted by volunteers from

Greenpeace Portsmouth
Group and Friends of the
Earth Portsmouth, for a new
campaign called #ShowTheLove.

Painted in a Covid-compliant manner, the hearts are being drawn next to things that volunteers would like to see more of – such as greenery and street art.

Activist Ros Brooks, from Southsea, said: 'We want to show our local councillors that we want more low-traffic neighbourhoods with safer streets, cleaner air and more space to walk and cycle.'

POMPEY STREET SPACE WILL SAVE LIVES

Make Portsmouth Streets Safe: for walking, cycling and wheeling

Published by Nicholas Sebley ● - June 8, 2020 - ❸

A big thank you to the many local businesses (just a few below) who have signed an open letter in support of the PompeyStreetSpace campaign.

We want more safe street space for walking, cycling, wheeling, queueing, and seating outside our cafes, bars & restaurants.

We'd love many more of you to sign. ... See More
